

# Be Safe, Be Seen

Switch on your 'Think Safe Brain' and learn what can be fun and what might be a hazard.

Farm Machinery

Animals

Water

Environment

Other Hazards

If you live on or are going to visit a farm, there are some key things to remember.  
Always be with and listen to adults so they know where you are and use your 'Think Safe Brain' to stay safe.

**IN CASE OF EMERGENCY CALL: 111**
